Education

KTH

MSc Software Engineering of Distributed Systems,

Distributed systems, peer-to-peer technology and network programming.

Stockholm

2013–2015 (Expected)

University of Gothenburg

BSc Computer Science,

Broad computer science bachelor. Courses ranging from machine level programming to concurrency and databases. I specialized in functional programming during the last year.

Gothenburg

2010–2013

University of Glasgow

Erasmus Exchange,

I spent one semester in Glasgow taking courses in functional programming, algorithms and programming language theory.

Glasgow

Aug 2012–Dec 2012

Experience

Work Experience.....

KTH

Teaching Assistant

Assisted master students with the course *Distributed Systems, Basic Course*. I helped setting up Erlang and answering questions on how to use Functional Programming and Erlang to solve the course assignments.

Stockholm

Sep 2014–Oct 2014

Tail-f Systems

Summer Intern

Python, Erlang, Compilers.

Stockholm

Jun 2014–Aug 2014

Crispin Porter Bogusky

Interactive Developer

Followed to Crispin Porter Bogusky when Daddy Production (below) was acquired. I worked here during various school breaks until 2012.

Gothenburg

Jun 2009–Aug 2010

Daddy Production

Flash Developer

Front-end developer mainly using ActionScript 2/3. Produced advertising campaign sites and banners.

Gothenburg

Feb 2008–Jun 2009

Lightmaker

Technical Designer Intern

Web development. I did this right after High School with no other formal education.

Amsterdam

Sep 2007–Dec 2007

Vectuz Webworks

Freelance Web Developer (Part Time)

Working with web development in spare time during high school.

Mjölby

Oct 2006–Feb 2007

Volunteering

Software Passion Summit

Gothenburg

Room Responsible

2012

Software Passion Summit was a technology conference focusing on development and testing.

University of Gothenburg

Gothenburg

Student Representative

2011

Working on improving the course quality on courses *Testing Debugging Verification* and *Project course*.

Flash In The Can

Amsterdam

Assistant Stage Manager

2010

FITC is a design and technology conference. I helped the Stage Manager of the venue's second largest stage keeping track of presenters, schedules and other volunteers.

Certifications

Exploration: Network Fundamentals: Cisco Systems, Inc.

June 2012 - Present

Software

Proficiency between 0 & 10:

Distributed Systems: 7/10

Databases (RDBMS & NoSQL): 6/10

Testing (Unit Testing & QuickCheck): 5/10

OOP: 6/10

Functional Programming: 8/10

Haskell: 8/10

Erlang/OTP: 6/10

Python: 9/10

Java: 5/10

ActionScript 2/3: 10/10

C/C++: 4/10

Extra

Driver's License: B

Swedish: Native

English: Full professional proficiency
