Education

KTH   **Stockholm**
MSc Software Engineering of Distributed Systems,   *2013–2015 (Expected)*
Distributed systems, peer-to-peer technology and network programming.

University of Gothenburg   **Gothenburg**
BSc Computer Science,   *2010–2013*
Broad computer science bachelor. Courses ranging from machine level programming to concurrency and databases. I specialized in functional programming during the last year.

University of Glasgow   **Glasgow**
Erasmus Exchange,   *Aug 2012–Dec 2012*
I spent one semester in Glasgow taking courses in functional programming, algorithms and programming language theory.

Experience

Work Experience

Cisco, Inc / Tail-f Systems   **Stockholm**
Master Thesis Student   *Feb 2015–June 2015 (Expected)*
Ongoing, no description yet.

KTH   **Stockholm**
Teaching Assistant   *Sep 2014–Oct 2014*
Assisted master students with the course *Distributed Systems, Basic Course*. I helped setting up Erlang and answering questions on how to use Functional Programming and Erlang to solve the course assignments.

Tail-f Systems   **Stockholm**
Summer Intern   *Jun 2014–Aug 2014*
Python, Erlang, Compilers.

Crispin Porter Bogusky   **Gothenburg**
Interactive Developer   *Jun 2009–Aug 2010*
Followed to Crispin Porter Bogusky when Daddy Production (below) was acquired. I worked here during various school breaks until 2012.

Daddy Production   **Gothenburg**
Flash Developer   *Feb 2008–Jun 2009*
Front-end developer mainly using ActionScript 2/3. Produced advertising campaign sites and banners.

Lightmaker   **Amsterdam**
Technical Designer Intern   *Sep 2007–Dec 2007*
Web development. I did this right after High School with no other formal education.

Vectuz Webworks   **Mjölby**
Freelance Web Developer (Part Time)   *Oct 2006–Feb 2007*
Working with web development in spare time during high school.

Software Passion Summit **Gothenburg**
Room Responsible *2012*
Software Passion Summit was a technology conference focusing on development and testing.

University of Gothenburg **Gothenburg**
Student Representative *2011*
Working on improving the course quality on courses *Testing Debugging Verification* and *Project course*.

Flash In The Can **Amsterdam**
Assistant Stage Manager *2010*
FITC is a design and technology conference. I helped the Stage Manager of the venue's second largest stage keeping track of presenters, schedules and other volunteers.

Certifications

Exploration: Network Fundamentals: Cisco Systems, Inc. *June 2012 - Present*

Software

Proficiency between 0 & 10:

Distributed Systems: 7/10

Databases (RDBMS & NoSQL): 6/10

Testing (Unit Testing & QuickCheck): 5/10

OOP: 6/10

Functional Programming: 8/10

Haskell: 8/10

Erlang/OTP: 6/10

Python: 9/10

Java: 5/10

ActionScript 2/3: 10/10

C/C++: 3/10

Extra

Driver's License: B

Swedish: Native

English: Full professional proficiency
